DIRECTOR OF THE INSTITUTE ANNOUNCES A COMPETITION FOR THE RESEARCH POSITION IN RAMAN SPECTROSCOPY AT THE INSTITUTE OF PHYSICAL CHEMISTRY, PAS

I. The “NOBLESSE” PROJECT (Nanotechnology, Biomaterials and aLternative Energy Source for ERA integration, FP7–REGPOT–2011–1) is expected to start on October 1st 2011 and its duration is limited to 36 months.

II. We expect from candidate:

- PhD degree from physical chemistry, chemistry or materials science;
- Knowledge about Raman or IR spectroscopy is required. Experience with surface-enhanced Raman spectroscopy or scanning near-field spectroscopy is highly appreciated;
- Knowledge about handling biological molecules with spectroscopic methods would be advantageous;
- Publications in major international peer-reviewed scientific journals;
- Satisfactory number of citations;
- Invited presentations at well-established international conferences;
- International practice in the sense of scholarship outside the country of applicant;
- High motivation and collaborative spirit.

III. The application for the Competition should contain:

- a letter of application;
- CV;
- an official copy of the PhD diploma;
- an opinion on the Candidate is strongly welcome.

IV. Conditions of employment

- Estimated maximum salary per month: eur 4000 – 4500;
- Duration of the contract: 18 months

V. The applications for the Competition should be sent to:

Dr Agnieszka Kaminska (E-mail: akamin@ichf.edu.pl), Institute of Physical Chemistry PAS, ul. Kasprzaka 44/52, 01-224 Warszawa with a note on the envelope: "Competition for the position of “NOBLESSE”.

The deadline for the submission of the documents is 1 January 2012 at 4.00 p.m.

VI. The winning Candidate will be chosen on January 31st, 2012.

VII. The Candidate will be employed in accordance with the provisions of law.

Director of the Institute of Physical Chemistry, PAS
